Hamilton & District Five Pin Bowlers Association

May, 2001

Welcome to Hamilton!

For the second consecutive year the Hamilton and District 5 Pin Bowlers' Association has the honour and pleasure of welcoming all participants to the 2001 Canadian Open 5 Pin Bowling Championships.

Our volunteers are pleased to work with the Ontario 5 Pin Bowlers' Association and the Canadian 5 Pin Bowlers' Association in hosting these prestigious championships. If we can be of any assistance at any time, in any way, please let us know.

I am sure you will find the conditions at Sherwood Centre conducive to the elite level of play demanded by this competition.

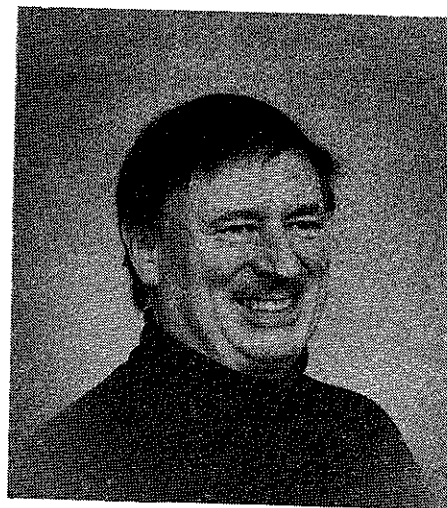

Congratulations on winning your Provincial Championships. May the spirit of good sportsmanship evident last year continue to prevail on and off the lanes.

I know this 2001 national championship will produce worthy winners and we are pleased to be part of its success.

Yours in Bowling,

Bob
